VISA PREMIA® Rewards

Welcome to the world of travel and insurance benefits offered by your new Popular Visa PREMIA® Rewards card. Discover everything your card has to offer and enjoy it even more, knowing you can count on them.

REWARDS PROGRAM

You will earn 1.5 PREMIA® points for every \$1 on net purchases made with your card. Net purchases mean purchases less any credit or return. Eligible purchases do not include convenience checks from your credit card account, balance transfers, cash advances, interests, card fees, unauthorized charges, casino chips or any other forms of betting or any other transaction that we determine, constitutes or is equivalent to a cash advance.

The PREMIA® annual membership is free of charge while you have this product. You will earn points from transactions and activities described on the Program's website as well as additional promotions sent out by Popular. Points will be credited and debited depending on the type of transaction carried out. Popular will determine from time to time the maximum amount of points that may be accumulated for different transactions. This information is available on the Program's webpage. Popular reserves the right to review the balance of Membership accumulated points and to subtract any credited points that infringe this Agreement. The Popular Visa PREMIA® Rewards could only be registered to the membership of the primary customer. Each account can be registered only to one (1) Program Membership.

The regular level points will expire every fourth December starting on the date they were earned. The PREMIA® Platinum level points will not expire as long as they remain at this level. Any derogatory condition or account mismanagement, including but not limited to blocked, outstanding and overdraft accounts will result in automatic Membership suspension and elimination of accumulated points without previous notice. Once the derogatory condition is removed, the amount of points accrued at the moment of Membership suspension may be restored at Popular's sole discretion and depending on the membership status. To view your point balance, please visit popular.com. Individual consumer transactions are the only transactions entitled to point accrual.

The primary account holder can redeem his/her accrued points for rewards at any time, as long as he/she has the required points for the desired reward. To redeem the points, Program Membership must be active, and the accounts cannot have any derogatory condition. The redeemed points will immediately be deducted from the points balance. For more information on the program's terms and conditions, visit www.premia.com or call PREMIA® Customer Service Center at 1.800.3PREMIA (1.800.377.3642).

This coverage is provided at no additional cost each time you rent an automobile using your Visa card. The cardholder must decline the Collision Damage Waiver (CDW/LDW) or similar coverage offered by the auto rental company. Coverage is offered by AIG.

Eligibility

To be eligible for this insurance coverage the cardholder must:

- Use the Visa card providing this coverage to reserve and pay for the entire cost of the auto rental.
- All drivers authorized to operate the rental vehicle in accordance with the rental car agreement are covered.
- No person other than the cardholder or other authorized drivers shall have any legal or equitable right, remedy, or claims of insurance proceeds and/or damages under or arising out of this coverage.

If the cardholder is unable to decline the auto rental company coverage, the coverage will be "secondary" to the auto rental company coverage and will be responsible for any gap between the auto rental company coverage and the damages for which the cardholder is responsible.

Coverage

The AIG Auto Rental Insurance covers Visa cardholders up to the actual cash value of the vehicle, the cost of repairs or replacement value of the rental vehicle while said vehicle is in the cardholder's possession.

The following specific costs are included in the policy:

- Damage due to collision.
- Theft of vehicle and related charges.
- Malicious vandalism charges.
- Loss due to accidental fire as long as the liability rests with the cardholder.

The following specific costs are not included in the policy [this is a summary of the exclusions; complete exclusions are contained in the policy on file with Visa International].

- Any obligation assumed by the cardholder under other agreements.
- Injury to any person or damage to any object that is inside or outside the rental vehicle.
- Loss or theft of personal belongings.
- Personal Liability.
- Expenses assumed, waived or paid by the auto rental company or its insurer.
- The cost of the insurance coverage purchased through the auto rental company.
- The operation and care of the vehicle contrary to the terms of the auto rental contract.
- Losses resulting from intentional acts, or losses arising from admission of guilt, being prosecuted or found guilty by a court of law of being under the influence of drugs or intoxicating substances, or as a result of illegal activities or smuggling.
- Gradual wear and tear due to normal use or mechanical problems.
- Losses arising from any type of hostility (including war, invasion, rebellion or insurrection).
- Confiscation by the authorities.
- Vehicles that do not fit the definition of covered vehicles.
- For rental agreements in excess of 31 days there is no coverage after the 31st day.
- Leases and mini-leases.

What happens if the auto rental company insists that the cardholder buy its insurance?

The cardholder must ask the auto rental company representative to call the Claims Administrator toll-free at the number assigned to the country or collect from any country in the world. The Claims Administrator can provide a confirmation of coverage. The cardholder can also obtain a "certificate of coverage" from the issuer prior to travel.

Where and when is coverage effective?

This insurance is effective when the Visa cardholder rents a covered vehicle and the Visa card issuer provides the coverage. This coverage is available 24 hours a day and will remain in effect while the vehicle is in the possession of any of the drivers named in the contract. The coverage will cease as soon as the rental car is returned to the Auto Rental Company. Vehicles rented for rental periods of more than 31 days are not covered after the 31st day.

What type of insurance coverage is provided?

This coverage is "primary" coverage. If the cardholder is unable to decline the auto rental company coverage, the coverage will be "secondary" to the auto rental company coverage and will be responsible for any gap between the auto rental company coverage and the damages for which the cardholder is responsible.

Which vehicles are covered?

Most cars are covered, including:

- Some luxury cars such as BMW and Mercedes Benz.
- Some minivans designed to transport a maximum of ten passengers, including the driver, and used exclusively to transport passengers.
- Jeeps (4 x 4) provided they are not driven outside the government-maintained roads.

If the cardholder has any questions regarding a specific vehicle, he or she should call the claims administrator. Rental cars that are not covered include:

- Vehicles not required to be licensed;
- Trucks except light trucks when these are the only available vehicles, campers, trailers, motorbikes, recreational vehicles;
- Antique cars (meaning cars which are over 20 years old or have not been manufactured for 10 or more years);
- Limousines;
- Expensive, luxury or exotic vehicles including but not limited to Aston Martin, Bentley, DeLorean, Ferrari, Jensen, Lamborghini, Lotus, Maserati, Porsche, Rolls Royce;
- Low-speed vehicles (LSV), neighborhood electric vehicles (NEV), including but not limited to, golf or motorized carts.

What should the cardholder do in the event of accident or theft?

If a Visa cardholder is involved in an accident or the rental vehicle is stolen, he or she should call the Claims Administrator immediately. A representative will answer any questions the cardholder or the auto rental company representative may have and will send the cardholder a claim form.

The auto rental company might require the cardholder to pay for damages with his Visa card. If this happens, the insurance company will reimburse the cardholder directly for the covered amount after the claim is processed.

The cardholder is required to notify the Claims Administrator via a telephone call of the accident or theft within 45 days following the date of the loss (an additional 15 days grace period may be provided). A toll-free number or worldwide collect number is available. Not doing so might result in denial of the claim.

What does the cardholder need from the auto rental company in order to submit a claim?

As soon as the accident occurs, or the cardholder returns the rental vehicle, he or she must request the following from the auto rental company:

- A copy of the Accident Report and a completed claim form indicating the costs for which the cardholder is liable.
- A copy of the initial and final auto rental agreement (front and back).
- A copy of the repair estimates and final repair invoice from the auto rental company.
- If available, two photographs of the vehicle showing damages.
- For claims including "loss of use" charges by the auto rental company, a copy of the Daily Utilization Record for the loss period, if available.
- A copy of the Police Report, if:
 - I. There is a third party involved in the accident (guilty or not).
 - II. Total or partial theft of the vehicle or any of its parts.
 - III. Vandalism, total loss due to theft, collision or fire.
 - IV. Claims that are higher than USD 1,500, interdependently of the above-mentioned points.
- Payment voucher that shows the payment of the total cost of the rental or the total cost of the services provided by the auto rental company.
